

Mathematics Assessment ABO Unit Structure

Unit 1	Unit 2	Unit 3
Grades 3–5		
Non-calculator (60 min)	Non-calculator (60 min)	Non-calculator (60 min)
Grade 6		
Non-calculator section and Calculator section (e.g., split) (60 min)	Calculator (60 min)	Calculator (60 min)
Grade 7		
Non-calculator section and Calculator section (e.g., split) (60 min)	Calculator (60 min)	Calculator (60 min)
Grade 8		
Non-calculator (60 min)	Calculator (60 min)	Calculator (60 min)
End of Course		
Non-calculator section and Calculator section (e.g., split) (90 min)	Calculator (90 min)	NA

* Short answer and constructed-response items are dispersed throughout the units. However, there are no constructed-response items in **grade 6 or above** in the **non-calculator sections/units**. The number of points in each unit remains fairly consistent. Since the math assessment is points-based, the number of items in each unit will vary.
